

PARTITION COLORS

Our partitions are available in a wide array of colors in three distinctive groups that combine for nearly two dozen color choices.

Classics — Classics feature our time-tested color palette along with the latest in designer color trends. And, as with all of our products, the color goes all the way through the sheet, not merely applied to the surface like some other materials.

Impressions — Impressions feature a range of marble, stone, and speckled patterns for an eye-appealing finish. Use them alone or combined with Classica colors for a unique complementary look.

EverTuff-EX — EverTuff-EX adds texture to provide a clean, modern and distinctive look to partitions. The great looking relief surface reduces signs of wear and deters graffiti.
